

Government Reset
Don Perkins
L&L Great Reset Conference
October 16-17, 2021

Don Perkins: Now, my message this morning assignment is dealing with global government. But we're going to focus on the Antichrist. And again, everything that we've seen so far is focusing and leading us to that time when this man of sin is revealed.

I want you to bow your hearts, as we ask the Lord to bless His Word. Father, God, we love you. And again, what a privilege it is, first and foremost, as we stand before you, the Creator of all life. What a privilege too, God that we can know us sons and daughters.

Lord it is a privilege today to stand before your people. I ask today, as we go into your Word by your Holy Spirit ask that you open the Scriptures to our hearts. Remove fear, remove doubt, remove confusion regarding the end times. Lord, give us clarity as to where we are. Lord, let us understand that truly, we are living in the end times. And Lord, I pray tonight, let this message and all of the messages stir our hearts to reach a harvest that don't know you. Now, Lord, we love you, we glorify you, and we give you all the honor in Jesus' name. Amen. Amen.

Global government the Great Reset. The Antichrist. Now I'm a topical teacher. I'm going to give you a number of topics that we're going to look at. But first I want to look at a world in distress. I'm going to show you where we are. And we've seen it already. I mean, this world is a prime candidate for this Antichrist. Then I'm going to quote three scholars. What are scholars saying about this Antichrist and his kingdom in this next reset?

Then we are going to see, what do the Scriptures teach us about this man of sin, this Antichrist? We are going allow the Word of God to help us. Then I'm going to give you some facts about him. I'm going to give you different names that the Scripture relate to him, further identifying Antichrist, this governmental leader of the near future. We'll see some amazing things. Then we're going to look at when will he begin to reign? The Bible is quite clear and specific in Scripture when his reign happens.

And I tell you, I've enjoyed all the presentation so far because everything is leading up, is setting up to this time of his rule and reign. Then we will see the Antichrist, his kingdom and then the length of his reign. And then the best part of this is we are going to look at, I'm going to touch lightly the economic system. Billy did an awesome job on, I'm just a hit a little bit of it. But the best part of it, we are going to see the demise of the Antichrist. There is an end to this kingdom. There's an end to everything that we've been seeing. You know, people think, you know, you prophecy guys are doom and gloomers. No, we're not. You know, I sleep well every night. Every night, I sleep well, every night I know what's going on. I look at all the events that are transpiring, but you know, something as Bill closed, you know, we are to look up and rejoice. That's a positive posture as a believer when you understand where we are. It gives you a whole different perspective about the times. Christians should not be afraid of these times. You should allow this to motivate you to do what God has called you to do. And again, we're going to see that as we go forward.

Now I want to bring in our prophecy chart again. This is where we are today. We're currently in what is called the Church Age. And again, I love this time. It's an exciting time where God can use every one of us. The next major event is that event called the Rapture of the Church. I do believe that it is close. It is imminent. I won't give you a date on it, but I believe it is imminent. I believe it's close. Our focus will look here, looking at the time of Great Tribulation. This is the next, this next governmental kingdom that's going to come in. It's on track. And again, we going to see it as the Scriptures go.

Now a world in distress. We look at gentleman here, he's the head of Iran, Rouhani. Let me just share something, look at this, this is one of their ballistic missiles. And listen to what they said, we have a world that's in distress. Look at this, "Israel Today" reports Senior Iranian military officials boasted that they have a stockpile of huge quantity of long range ballistic missiles that are pointed directly at Israel. Their Brigadier General Amir Ali Hajizadeh, commander of the Iranian Revolutionary Guard Air Corps. He told the Iranian media that these missiles belong to the Palestinian people. He said it was also reported that the test missiles were inscribed in Hebrew with the words Israel must be wiped out.

See a lot of people think that if we can just stabilize the Middle East, everything would be fine. Well, let me tell you, that's not going to happen outside of Jesus Christ. We're in a world that's in chaos, that's in distress. As a matter of fact, I'm going to show you this, the world is in a state of war and the News media can't get enough. Jesus predicted a world that would be in chaos in the last days. With China flying over Taiwan. North Korea's young leader with nuclear weapons. And Russia's greed for Israel's natural gas in the middle in the Mediterranean Sea. And the Iranians funding Hezbollah in Lebanon it is no wonder the world is experiencing war.

See what's happening right now, I mean, the world is like a powder keg. The gunpowder is in the air. All it needs is one spark. And then you can have World War III. This picture here, of Lil' Kim, you know, I call him the baby with nukes. It's amazing the time and the situation that we're living in. As a matter of fact, I talk a little bit about Hezbollah. Hezbollah is controlled by Iran, is funded by Iran. As a matter of fact, they have actually destabilized the Lebanese government. It used to be called the Paris of the Middle East.

How many of you remember this? Let me show you this? More than 217 people were killed and 7,000 injured when a 2,750 pound aluminum nitrate exploded in Beirut's port on August 4th of last year. The blast displaced 300,000 people and caused widespread destruction and devastation, damaging buildings up to 20 kilometers away. Now what I am going to do, I'm going to play, I'm going to show this particular clip, and just look at this explosion. Look at this it is just amazing.

Don Perkins: Saints, we're in a time, and in a world that is in need of peace. But you know something? This is a setup for what's happening next. Now, this is a very familiar quote, but I want to give it because right now the world is ready to receive an Antichrist. I mean, they want, they want peace. What this is, this is the Secretary General of the old Secretary General back in 1956 to 1960, Henri Spaak. He said, "What we need is a man of sufficient stature to hold the alliances of all people, and to lift us out of this economic morass into which we are sinking. Send us a man, be it God or the devil, we will receive him." This is the culture, and what we're going to see today is that, believe it or not, everything that is going on today is being controlled by an

antichrist spirit. You know, the hatred and desire that these people have for globalism, and communism, and socialism, all of that is controlled by a spirit.

And again, we're going to see here some, some amazing things. Now I like quoting scholars. I'm going to quote three scholars here. What are scholars saying about the Antichrist and his kingdom? Again, this is just amazing here, and this is brand new. This is Dr. David Jeremiah from his latest book "Where Do We Go From Here?" This is what he says, "Could we be standing today on the edge of a recession from which no one economy, no one nation, no one union would be able to extricate the world? The Bible predicts that such an era is coming, fueled by the world's economic convulsions, the only answer will seem to be the unification of the nations under one economic system and one world ruler. One would expect such a process to begin with the gradual consolidation of wealth, power and both nationally and globally. Today we are witness to the merging of banks and the centralization," listen to this, "of financial regulations. We cannot help but wonder if the Antichrist is waiting in the wings, ready to make his entrance on to the stage of this desperate world."

I really believe that what we are witnessing now is just a setup, it is a major setup. A lot of stuff has been going on for years. I mean, with everything all the other guys have been talking about. It's amazing what we are seeing. We are truly living in the end times. You know, there is an end times terminal generation? We are that generation. We are seeing things that the prophets of old longed to see.

Dr. Jeremiah goes on to say this, "Tech companies are shaping the way we think about globalization. Big Tech is unifying the world in a way that transcends human government and dominates the world economy. Listen to this author Alexis Wichowski called these massive corporations," listen to this, "net states. She wrote, 'We are in a world dominated by nation states, but increasingly influenced by the action of net states. Nation states continue to own the physical territories within their boundaries, but net states wield significant power, both within and across country space, guiding events that affect us both on an individual and on a global level. The one world system is already here.'"

Whether you believe it or not it is already here. And things are falling into place. Things are in preparation for the man of sin, this next world government that's going to come on the scene.

Quoting here from the book Antichrist, "Who is the Antichrist?" by Dr. Mark Hitchcock? Listen, to what he says, "Few people probably realize that there are more than 100 passages of Scripture that describe the origin, the nationality, the character, the career, the kingdom and the final doom of Antichrist. God doesn't want us to be preoccupied with this individual in an unhealthy or unbalanced way, but clearly, God wants us to know about this coming Prince of darkness, for he has chosen to tell us a lot about him. The sheer volume of information about Antichrist in Scripture is reason enough for us to understand who he is and what he will do."

You know, I have a book on our table called "Christ in Prophecy" by Dr. Dave Reagan, one of the best books I've found that deals with the Old Testament Scriptures related to Christ. You know, there were over 300 prophecies that led Christ to Calvary, of which 100 are specific. Another man, in Scripture that the Bible tells a lot about, is this man I'll call Antichrist. We have a lot about Jesus, granted. But the Bible gives us a lot about Antichrist, and we're going to see that as we go forward.

Now, Dr. Hitchcock, he quotes Dr. Tommy Ice and Dr. Tim Demy. They said biblical teaching regarding the Antichrist is not given to make us anxious, but to make us aware. Awareness of God's victory over Antichrist and all evil gives assurance to believers that both the present and the future is firmly in the grasp of God. And I just I want to reiterate this. We are seeing a lot of heavy stuff today. A lot of things that would make you make your heart flutter. God, what is happening? Is there any hope for us? I want to say to you, yes, there is hope. Everything is right on time in God's eternal program. You got to understand, Saints, if you born again today, you do not have to fear what is coming upon this world.

What you need to do is allow these things to motivate you to do what God has called you to reach a lost world. Many of us have been called in some capacity of ministry, or witnessing, or something, God wants to use you to reach a lost world. And guess what? We are seeing events that have been prophesied centuries old that are coming to pass in our very time. And I know for me my whole heart now, I, you know, I've been teaching now, believe it or not 40 years, July made 40 years of teaching, and to God's glory. But I have more of a hunger today for the harvest than I did when I first got started. You know why? Because I'm seeing all of these things come into place, events that are happening, that are coming to pass right before our very eyes.

Now I want to quote one last scholar here, this is from the late Dr. Grant Jeffrey from his book "Prince of Darkness." Listen to what he says in regard to Antichrist, he said, "The Antichrist would be strong. He would be a strong, brutal leader with striking features. Daniel warned that he will understand sinister schemes, indicating his preference for occult powers as satanic treachery. His awesome power will come directly from Satan. The first prophecy in the Bible refers to Antichrist as Satan's seed." Listen to this. "After the temptation of Adam and Eve addressed Satan, saying, "let me slow down here. "After the temptation of Adam and Eve, God addressed Satan, saying I will put enmity between you and the woman, and between your seed and her seed, Genesis 3:15."

He goes on to say, "The phrase your seed indicates that in some mysterious way, the Antichrist will be the seed of Satan, although he will be an evil man doing his rise to power. He will not fully take his role as Antichrist until Satan is cast out of heaven. From that moment, he will sell his soul and be completely possessed by Satan. The prophet warned that his satanic power will allow him to prosper and thrive, and his drive to gain total power over mankind. After he defiles the rebuilt Temple, the Antichrist would do everything in his power to destroy the mighty, and also the holy people."

You know, what we are witnessing is a setup. God's prophetic time clock is ticking and is right on schedule. Things are happening, falling into place. As a matter of fact, you know, we will see something things. I'm just going to just flow with what I have here. What do the Scriptures teach us about this man of sin? This coming world leader? This government that's going to be ruled by this Antichrist.

In 2 Thessalonians 2:4, listen what it says about him. It says, "Let no man deceive you by any means: for that day should not come, except there come a falling away first." He is talking about the apostasy of the last days. That is happening now. The apostasy. "And that man of sin be revealed, the son of perdition." Here Paul, under the inspiration of the Holy Spirit reveals that in the near future that there will be a man of sin who will be revealed. And I talk a little bit more about these titles in a little bit.

In John 5:43, Jesus, our savior said this, he said, Talking to his Jewish brothers, He said, "I come in my Father's name, and you receive me not." Jesus said, "If another come in his own name, him you will receive. Here Jesus prophesied to his Jewish brothers, another is going to come and him you will receive. The Jewish people we know, it has been prophesied, they will receive this Antichrist. It's a future event that's going to happen, but it's been prophesied. They will receive him as their messiah.

First John 2:18-22, listen to this, John wrote, He said "Little children, it is the last time: and as you have heard, that antichrist shall come. Even now, there are many antichrists; whereby we know that it is the last time. Who is a liar, but he that denied that Jesus is the Christ? He is antichrist, he that denied the Father and the Son.

Now this is amazing here. The Apostle John wrote here that we are in the last time, and during this time, the scripture prophesied that there is an antichrist, a literal man who's coming. But he also said there are many antichrists that are out. There is the antichrist spirit, we are going to see in a few minutes, was controlling these world leaders, these governments, these globalists, these socialist, these communists. You think about it. Who in their right mind would make these kind of decisions? These people are controlled by a demonic spirit. They're controlled by this antichrist spirit. And again, things are being set up in our times, and again, we must see where we are and understand it.

In 1 John 4:1-3, John wrote, "Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world. Hereby know ye the Spirit of God: Every spirit that confesseth that Jesus Christ is come in the flesh is of God: And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God." And listen to this, "And this is that spirit of antichrist, whereof ye have heard that it should come; and even now is already in the world." What's controlling this world system is this antichrist spirit who denies Jesus as the Christ. Any false Christ who comes and says he denies Jesus as being the Lord, as being come into flesh, he's operating by a spirit of Antichrist.

And this whole system, the whole culture, the globalist, everything, all of their agendas, everything is controlled by this, by this demonic antichrist spirit. This is the only thing that gives you some logic behind what's going on. It makes no sense. It makes no sense. Why would you make rules that are contrary to life? Why would you make rules that are contrary, you know, to the to the normal man and a woman? You know, we have a culture now that they have over 70 some different genders. You know, it is confusing.

It's amazing, but we have a culture now that is controlled by this spirit. And everything that is happening now is falling right into place. If I've ever believed that we are living in the last days, I believe it now, more than ever. We are closer to the end of this thing.

Look at this, 2 John 1:7, John wrote, "For many, deceivers are entered into the world who confessed not that Jesus Christ is come in the flesh. This is a deceiver and an antichrist.

All of these organizations, all the globalists they have no confidence, and no hope in Jesus Christ. They deny Him. They deny you as a Christian, they don't want us believing in Christ. It is an antichrist spirit. And again, we go see some amazing things as we go forward.

Now, let's go a little further. We'll look at some facts about Antichrist. And then I'll give you some names that the Bible literally tell us in regard to who he is. That is going to help us identify a little bit more about this, this coming evil person who is head of this next world government.

Throughout history, mankind has always been curious as to who is antichrist. Some have tried to name him by looking at prominent leaders in their time in past history. All were wrong. And here's a brief list of some of those who have made the Antichrist, I call it hit list. I'm going to bring this picture in here and again, a lot of people have looked at different ones. And this right here, this one is amazing. They have Obama and Putin together. You have George Bush, you have Obama, you have the Pope. So, they believe that, you know, these men are antichrist. But I'm going to show you there are a lot of different people just in our recent history who people have declared as Antichrist. Look at this, Adolf Hitler. Now, this man he hated the Jewish people. It was true that this man was definitely controlled by an antichrist spirit. That hatred was demonic. But even though the evil he did, killing over 6 million Jews, he is not and was not the Antichrist.

What about Mussolini? In history, they call Mussolini, all these were butcher words. I mean, these were murderers in their times. But even Mussolini was not antichrist.

Henry Kissinger, this is an amazing one here, they call Henry Kissinger, they thought he maybe the Antichrist because this man was a powerful negotiator. The man had he had ability to negotiate, and they just said "He's the Antichrist. He must be."

Look at this next one, Mikhail Gorbachev. You know, Mikhail Gorbachev and he had his little, he had his birthmark in his forehead, that little red birthmark. People said "That's the Antichrist. He's got the mark on him. He has the mark on him, man, that is the Antichrist."

I mean, people have throughout history have labeled people, look at this next one. John F. Kennedy, the first Catholic president, they labeled him the Antichrist. No, he's not the Antichrist. He was never the Antichrist.

Look at this next one here, Ronald Wilson Reagan. This one to me is one of the funniest ones because they look at his name, Ronald Wilson Reagan, he's got six letters in each of his names, 666.

I was in a conference in Florida. A guy got up to ask a question. We let him ask the question to, the gentleman turned away from me, and he saw him turn into the audience, and he said, "Ronald Wilson Reagan" is the Antichrist. So, I had to shut him down. I said, "Sir, sit down." False teaching, but people believe that. Yes, they believe the lie. Look at this next one here, this is amazing here. Bill Clinton. Somebody said, "well." But Bill Clinton is not the Antichrist. I don't care how bad he is, or things he's done, he's not Antichrist. And you got to understand you have to be very, very careful in these times. Never, never speculate who these men are.

You know, God does not want us to identify Antichrist. No, He wants us to look for Jesus Christ. Keep your focus on the Savior. But you look at prophecy and look at events that are happening, and it will help you understand where we are.

Look at this next one. This one blew me away here. This one, Margaret Thatcher. She doesn't qualify; she's a woman. But they thought Margaret Thatcher was Antichrist.

Look at this next one here. Donald Trump. Now he was the great disruptor. No doubt about it. But Donald Trump was not the Antichrist. No.

You know, we've got to be very, very careful. We're living in a time now where people are, they are just so bent on speculation that they don't want to stick to the facts that are at hand. And again, we must allow the Word of God to identify, and we must stand on the authority of the Word in these times, and it's going to help us.

So, in light of that, let me give you some names in Scripture the Bible talks about in reference to this Antichrist. I going to give you a number of scriptures here.

Here 1 John 2:18-19, here, in this particular passage, he's actually called the Antichrist. John wrote, "Little children, it is the last time: and as ye have heard, that antichrist shall come." The Scripture actually calls him Antichrist. Anti- is opposite of the Christ. Anytime you put anti- in front anything, it's a negative. This christ is a false christ, so, he's called the antichrist.

Look at this next one here. 1 Thessalonians 2:3, John wrote this, "Let no man deceive you by any means, for that day should not come, except there comes a falling away first, and that man of sin be revealed." The Antichrist is called the man of sin. He will be the epitome of sin. He will be sin incarnate. This man, we are going to see he's an evil guy, but he's going to come on to scene. The Bible tells us this, and we're going to see some amazing things.

Look at this one. He's also called in 1 Thessalonians 2:3, he's also called the son of perdition. Now there was another man in Scripture called son of petition. Who was that? Anybody knew who that was? Judas son of perdition.

What does that term perdition mean? In Christian theology it is a state of eternal punishment and damnation into which a sinful unrepentant person passes after death, damnation, eternal punishment, hell, hellfire, and doom. The antichrist when he surrenders his will to Satan, he will damage souls. The Scripture calls him the son of perdition, the son of judgment, because he's going to yield his will and authority to Satan. So, he's called the son of perdition.

Here's another one, he's called that wicked one, or the lawless one. 2 Thessalonian 2:8, "And then shall that Wicked be revealed." He's called that wicked one. So, the term wicked, what does it mean here in the Greek? It means destitute of the Mosaic Law, departing from the law, a violator of the law, a lawless or a wicked person. This man is going to be evil personified, this antichrist. And, you know, we are going to see something in a few minutes, that God is literally going to allow this man to do his bidding in the Earth. You've got to understand saints, everything that is happening, everything that's going on now, whether you agree with it, whether you like it or not, God is allowing it to bring prophecy to pass. You got to hear me. God is moving major chess pieces, major. I call it a moving chess pieces on his prophetic chessboard. He's moving things into place for checkmate.

You know, what checkmate is? Checkmate is going to be eternity with God. God is moving places, people, things, into position for the last days. And we must be discerners of the time in which we are living. Here in Daniel 9:26, Antichrist he is called "the prince that shall come." This is Daniel 9:26, it says, "And after threescore and two weeks shall Messiah be cut off, but not for himself." talking about Jesus, "and the prince that shall come," it is talking about a future prince who is going to come, "shall destroy the city and the sanctuary." The people of this prince, they are going to destroy. And they are talking about the coming Antichrist system, and kingdom. But

it is talking about that prince. And I like how King James has it here, it is a lowercase prince, it is not the prince of prince, we are going to see that in a few minutes. This is Antichrist. He's called the prince that shall come.

Look at his next one, Daniel 11:21. He's called a vile person. "In his estate, shall stand up a vile person to whom they shall not give honor of the kingdom, but he shall come in peaceably and obtain the kingdom by flattery." Here the Antichrist is called a vile person. This term, vile, it means evil or immoral, very bad or unpleasant, morally despicable or abhorrent, physically repulsive. Vile, of little worth or count. This Antichrist will be a vile person.

Listen, there's nothing good about Antichrist. And there's nothing good about what's going to happen during the time of Tribulation. You know, Jesus warned His Jewish brothers about things, He said, "When these things happen," he said. I'll read it in a few minutes. He's going to warn them it's going to be a time like they have never seen, or I never will see. There are some rough days ahead for the nation of Israel, but again, it's that next government that is going to come.

Here's another one he's called the little horn. This is Daniel 7:8. Daniel wrote, "I considered the horns and behold, there came up among them, another little horn before whom there was three of the first horns plucked up by the roots. And behold in this horn were eyes, like the eyes of a man, and a mouth speaking great things." This goes parallel with Daniel 13. The Bible says, when Antichrist comes on the scene he's going to speak with great words, but he's going to speak against God.

Here this little horn, he has eyes like a man. This gives reference to Antichrist. Now I'm just giving you Antichrist in Scripture. Look at this one, Daniel 8:23, he's called the king of fierce countenance. Listen to this. "And in the latter time of their kingdom, when the transgressors are come to the full," you know, Saint, sin is maturing, and sin has matured. You'd think about it. We're seeing things today, I mean, 20 years now, we're seeing things that we have never believed that we would ever imagine. Especially in America, I'm seeing stuff that I never thought I would see. You know, sin has matured.

He says here, "When the transgressions are come to the full, a king of fierce countenance and understanding dark sentences, shall stand up."

My mouth is getting a little dry. Put more water here. I got to wet my whistle. All right.

Now, when will he begin to reign? When will this antichrist come on the scene? When will it happened? We are going see some amazing things. Many have questioned as to when and how the Antichrist will come to power. Some believe that he is reigning now and has been for some time. I believe the Antichrist can't be revealed as long as the Church is here on the Earth. Once the Church is raptured, then Christ will release the first Seal Judgment of the Great Tribulation, that will release Antichrist onto the earth.

This is key, and we must understand this. You know, I've talked to people, I've debated with people where, you know, they tell me, "The Antichrist is alive. He's here, he's ready to rule. He's going to reign and he's reigning now." I say, "He's not reigning now. Absolutely not." I said, "As long, as the Church is here, the Antichrist cannot reign." And I really believe that as long as the Church is here, we are the suppressor. You know, the Holy Spirit in the Church is the suppressor of these times.

You know, the Bible commands us as the Church to pray for those in authority. Listen to this, "That we might lead a quiet and peaceable life." You know, as long as the church is here the Antichrist cannot be revealed. I also believe this, as long as the Church is here, I don't believe America will experience the full demise that's coming. But let me tell you, some things are falling into place.

This also lets me know, and I believe in my heart that the Rapture is at hand. I believe the imminent return of Christ is at hand. I've said in conferences from all over that I practiced Rapture drills in the morning, because I believe, I believe that it is close. If there's ever been a time that I believe that we are closer to our Lord taking up His Church, I believe it is now. But I will say this, as long as we are here the Antichrist will not come on the scene. But things are falling into place.

We just closed our conference, our West Coast Conference in San Diego, the theme of the conference was "Living in the Shadow of the End Times." See, right now we are in the shadows. Things are happening. Things have been prophesied in the great Tribulation that's casting a shadow in the Church Age. We are seeing things as preparation for the next dispensation of the Tribulation. See, we are seeing things. Things must begin in order for things to happen during the time of Tribulation. It's not going to happen overnight. You know, things are already falling into place. Everything all the speakers have been talking about is set up for what's going to happen. Again, we must understand where we are.

So, in light of that, you know, the Antichrist cannot come on the scene until Jesus releases him. A lot of people don't realize this, this is Revelation 6:1-2. This is the beginning of the seven year Tribulation. Jesus in Revelation 5 says, "No man was worthy to take the book out of God's hand. Jesus takes the seven sealed book out of Father God's hand, chapter five. He's the only one worthy to release the seals. These seals will release judgment on mankind. The first seal that is released is releasing Antichrist. Look at this Revelation 6:1-2, John wrote, "And I saw when the lamb," this is Jesus Christ "opened one of the seals and I heard as it were the noise of thunders and one of the four beast saying, 'Come and see, and I saw and behold a white horse. And he that sat upon Him had a bow, and a crown was given to unto Him. And He went forth conquering and to conquer."

Most scholars believe, as well as I do, that this first white horse rider being released is none other than Antichrist. It is amazing here the Bible says, He has a bow, but he doesn't have arrows. Many scholars believe that also this symbolizes that he is going to come in peace, which the Bible says he will. By peace he's going to destroy many. But guess what? Here's the clincher though, the Antichrist cannot come in until Jesus releases him. You got to understand Jesus got the pulse, His hands on everything. Believe that no matter what's going on. I don't care how wacky things get in his world. God is still under control. And God's going to bring things in and out at will. Again, we just need to discern where we are right now and allow these things to motivate us. So here, the Antichrist, he's released.

The book of Daniel, this is amazing, Daniel 8:25 says this, "And through his policy he shall cause craft to prosper in his hand; and he shall magnify himself in his heart," listen to this, "and by peace shall destroy many." When he comes on the scene, he's going to be the peacemaker. He's going to stabilize everything. This world is just chaotic. Things are going crazy. He's going to be the stabilizer, temporarily. "He's going to come on the scene, and he shall also," listen to this, "stand up against the Prince of Princes. But he shall be broken without hand." I'm going to

visit that part a little bit. But here the Bible says by peace, this Antichrist and his system shall destroy many.

Quoting here from Dr. Dave Reagan from the "Lamplighter Magazine," dealing with the rise of Antichrist to power. Listen to what Dr. Reagan said, "Is that the idea that the Antichrist will rise to world power through shrewdness and skill diplomacy is based on Daniel 8:23-25. These verses say a king will arise who is skilled in intrigue, who will succeed through the practice of deceit. But the same passage also says that he will destroy to an extraordinary degree. He would destroy both the mighty men and the people of the saints. Many of these he will destroy while they are at peace. Again, Daniel 8:24-25.

Dr. Reagan goes on to say, "These verses make it clear that the Antichrist is going to use both diplomacy and military power to gain control of the world. The likeliest scenario is that he will initially rise to power in Europe through the use of shrewd diplomacy, but he will extend his power from his European base through war."

Things are being set up worldwide for this world leader. But by peace he's going to come in. He's going to have all the answers, and mankind is going to accept him. You know, I listen to Billy as he was mentioning all the different banking industries, and all the different, nations that have formed different alliances and all. Everything is all. Just everybody's got their own thing going. But this man of sin when he comes on the scene, let me tell you, I believe he's going to bring it all together. Everything is just going to flow right in real smooth. And as it does, he will be this one world leader that the world will accept.

Now the Antichrist's kingdom and the length of his reign. This is an amazing prophecy regarding Antichrist. His reign has already been prophesied by the Word of God. He will have a short window of seven years of influence on the Earth, and with it, he will cause much death and destruction on mankind. But his end is also prophesied in the Scriptures. He will come to a quick end and be defeated by Jesus Christ at His Second Coming. I love that. And we are going to look at that at the close of it. Jesus has already been prophesied to defeat this Antichrist. He's going to literally close down this Antichrist government. This this empire. This system that the Antichrist is going to be head over, and he's going to do it.

Now, the Word of God gives us a space of seven years for the total reign of Antichrist. This is revealed in the prophecy of Daniel 70 weeks, which are 70 week of years, weeks of years of 490 years, prophesied against Daniel, his people and his city, Jerusalem, of which 483 years have been completed. Now we know this is the Daniel 70 Week Prophecy. This is an amazing prophecy because this prophecy Daniel received this prophecy. It was a prophecy that was exclusive towards and Daniel's people, and toward Daniel's city. It is as a prophecy that started in the natural realm. It will also be completed in the natural realm. You know, many people debate about whether the Church is going through the Tribulation or not. Well, if you understand Daniel's Seventy Weeks, you know, the Church cannot be a part the Tribulation. You know why? Because Daniel's seventy weeks was when Daniel received that prophecy, the Church Age was not even around. The Church was not even on Earth at the time. God gave this prophecy exclusive toward the house of Israel. And this prophecy was going to bring God's plan to fruition in the house of Israel. It started, in a natural sense, it is going to complete in a natural sense. So, so far, 483 years of this 490 year prophecy has been completed. It was completed at the crucifixion of our Savior.

Now, the last week of this prophecy, or the last seven years will be under the rule of Antichrist. Daniel 9:27 says, "And he, the antichrist, shall confirm the covenant with many for one week. This is week of years or seven years. And in the midst of the week, he shall cause the sacrifice and oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate." Now the Antichrist, he's going to have a space of seven years to rule and to reign. The Bible tells us this.

Now what's amazing, the Bible said that he's going to cause the oblations to cease, and he's going to stop the Jewish people from sacrificing. You know what is amazing about that? In order for this prophecy to come to pass, the Jewish people must be sacrificing. And during the time of Tribulation, they will be sacrificing. But guess what? In our times, the Jewish people, they are training young Jewish boys in the ancient rite of sacrificing. Things are being prepared now for the next dispensation where Antichrist will actually sit in the Temple of God and be worshiped, as God.

This is an amazing prophecy. I'm going to bring up a wonderful chart, this is amazing chart here. We know this Nebuchadnezzar's dream. Different world empires and kingdoms, Babylonian Medo-Persian, the Grecian empire, the Roman system, and then the revised Roman system headed by none other than Antichrist. This will be the kingdom, the government that is coming. The Antichrist he will rule for a short season, seven years. But the Bible also prophesies that a stone will be cut out without hands. And this stone represents none other than Jesus Christ and the kingdom of our Christ, our Savior, bringing an end to the Antichrist system. Bringing an end to this coming world government.

Here's another chart I want to give you right quick. This is the Daniel 70 Weeks Prophecy here. Again, there were 490 years that was prophesied. As I shared earlier, it stopped here at the cross of Christ. It started with the building by Artaxerxes. I mean, the command given by Artaxerxes to rebuild Jerusalem. And then it stopped 483 years into the 490 years, at the cross of Christ. Then in there in between, there's a gap and here's where we are today the Church. We are the Church in between the cross of Christ and the time of Great Tribulation. This is the mystery that the Apostle Paul talked about.

The next week, the next seven years will be the Kingdom of Antichrist that is yet future. Again, to what Jesus said in regard to that time. Matthew 24:15, Jesus said, "When you therefore shall see the abomination of desolation, spoken of by Daniel the prophet. When you see these things stand in the holy place," Jesus said, "Whoso readeth, let him understand Then let them which be in Judaea flee into the mountains: Let him which is on the housetop not come down to take anything out of his house: Neither let him which is in the field return back to take his clothes." Jesus is telling his Jewish brothers, there is going to come time when you going to see the Antichrist desecrate your Jewish altar. This is part of that future government of Antichrist. When he comes on the scene, he's going to desecrate the Jewish altars.

Jesus went on to say in Matthew 24:19-21, He said, "And woe," woe means cursed, "unto them that are with child, and to them that give suck in those days. But I pray that your flight, or your travel, be not in the winter, neither on the sabbath day: For then shall be great tribulation, such as was not since the beginning of the world to this time, nor ever shall ever be."

What's coming is going to be an amazing time of world government. Everything is going to come together. As a matter of fact, you know, when John received the prophecy of the Mark of the Beast, you know, man cannot buy or sell. There was no way that prophecy could come to pass

in his day. We're living at a time now where we are in a one world system. We have technology that's going to literally aid Antichrist throughout the whole world, and he's going to bring all of the world. I really love watching the video you showed in those foreign regions, you know where people thought, you know, there's no technology there. Technology is there. Showing us that there's one world system is coming together and again, Antichrist is going to rule it all.

Now again, we are currently in the Church Age, and the next dispensation is this time of Tribulation where Antichrist will rule and reign. And during that system again, God's going to allow him. You know, when I first realize, I said, "God, you're going to allow the Antichrist a space in a season to do his bidding on the earth? And scripture says, yes, God, is going to allow it. God's going to allow it.

What's going to happen? You see this Star of David here? From this seven year tribulation, the nation of Israel will come to a saving knowledge of their Messiah. This is why God is going to allow it. God's going to allow it. And then what's going to happen? The nation of Israel will cry out for their Messiah, and then Jesus will come back to deliver them.

Now I'm going a little bit further. We're almost done. I'm going to show you some things.

Now, I'm going to look at the economic system, and the demise of Antichrist. Now, Billy touched, He did just a wonderful job. So, I can't expound on that, so I'm just going to touch a few little things in reference to that. And then I'm going to close up looking at the demise of Antichrist, which is my favorite part of this whole presentation. The economic system of Antichrist will be a worldwide economic power. Men and women will not be able to do any financial transactions during the reign of Antichrist, unless they are in alliance with this economic system. And again, we know that. I'm going to give you some familiar passages. Billy read in Revelation 13:16-18, "And he shall cause all." Now do you see this picture? This picture here is a picture representing the false prophet. John talked about two beasts coming out, one, come out of the sea, and one come out the Earth. Well, this false prophet, he would be the one that would cause men to receive the Mark of the Beast. "And he," this false prophecy, "causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, but he that had the mark, or the name of the beast, or the number of his name. Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six." We know it is 666.

I say this all the time when I deal with this, a lot of Christians are 666 paranoid. You go to the grocery store, you buy something, your change comes back \$6.66. What do you do? You buy some Roloids, you buy some gum, you do something. I'm getting off that curse number. You know, I love when my change falls at \$6.66. Do you know why? I use it as a witnessing tool. I say let me explain to you about the 666, and I share the Gospel with them. I would love to have a license plate on my car 666. Oh, I would love it. I would preach the Gospel with it. Yeah, we don't have to fear 666 saints, because we won't be here during this time. And again, we must understand that. Revelation 19, though, tells us how this Mark of the Beast system would come online.

We know things are setting up for it, it is going to come on the scene. But it's going to come through deception. This is Revelation 19:20. Revelation 19:20 is the close of the seven year Tribulation. Here you're going to see the judgment of Antichrist and false prophet. But in this judgment, we're going to find out how the Mark of the Beast system will come into use with

mankind. Look at this, Revelation 19:20, John wrote, "And the Beast or Antichrist was taken. And with him, the false prophet that brought miracles before him, with which he deceived them, that had received the Mark of Beast and them that worship his image." Those men and women in the Tribulation will be deceived into taking the Mark of the Beast. Now it is going to be tied to their will. Nobody would take the Mark of the Beast by accident. They're going to be deceived, but they're going to yield their will to take the Mark of the Beast or to worship Antichrist. And when they do, they have damned their soul. There's no repentance from this.

Here's another verse that's so frightening this is 2 Thessalonians 2:9. Paul wrote on the unktion of the Holy Spirit. He said, "Even him," talking about the Antichrist, "whose coming is after the working of Satan with all power, signs, and lying wonders, and with all deceivableness of unrighteousness in them that perish because they receive not a love of the truth, that they might be saved. And for this cause," this is a scary part, God shall send them strong delusions that they should believe a lie, that they all might be damned, who believe not the truth, but had pleasure in unrighteousness." You know, there's coming a time even in Tribulation, God is going to allow those people who have who have shunned God's love advance, God's been trying to reach them for time and day, just trying to reach them. And they kept spurning the love of God and many of them going to find themselves on the other side of the Tribulation. And they're going to they're going to yield to a deceiving spirit.

Let me tell you something, when God deals with your heart, yield to Him. Don't fight Him. Don't reject Him. Yield to Him. You know, I travel and teach all over the world. I teach, I love alter calls. It's amazing. And I'm going to say this. I see very few older people coming to alter calls. The majority of people I see are younger people, and even young kids. Very seldom do I see older people come to the cross. It blows my mind. It's an amazing phenomena. But a few weeks ago, I was in a large conference and this senior man come up and I mean, I was in tears almost to watch this guy come up. He came up and received Christ. He received Jesus Christ in his heart. God had been dealing with him for years and this man came down and received Christ. And I'm not saying that old people don't get saved. Don't say it. I'm not saying that. But I'm telling you, a lot of people have rejected God, and they kept spurning God's love advance. Listen, we need to go after them and reach them with the Gospel.

Now I'm almost done here but look at this. Dr. Reagan, from his book "Wrath and Glory," talking about the Antichrist system how it is coming on. He said, "Politically, the false prophet is the one responsible for administering the Antichrist's economic system, Revelation 13:16. It is based on the requirement that all mankind would take the mark or the number of the beast, which is 666. No one can buy and no one can sell without the Mark or the name of the beast on their right hand or forehead. And since no faithful Christian," these are people during the Tribulation who receive Christ. Not the Church, this is a whole different group of Christians. "A faithful Christian or observant Jew will not take the Mark at this time. At this point, all Christians and Jews will become outlaws. They will have to hide out in the countryside and live off the land. They will be hunted down like animals, and most of them will be killed. Not all, but most. It will be a horrible period of unparalleled persecution of believers in the true God.

This time, which is coming is going to be amazing. This system that's coming, it's going to be like none other. Now, in regard to this Mark of the Beast, how long will the Mark of the Beast system be in use? And I think this is something that people don't realize. You know, I believe the Mark of the Beast system when it goes online, it will be in use for three and a half years, starting at the midpoint of the Tribulation. The reason why I say that is because we find the Mark

of the Beast coming online at the mid-part of Tribulation, Revelation 13. And I believe it's going to have a three and a half year window of influence. The Antichrist doesn't institute the Mark of the Beast at the beginning of the Tribulation. I believe at the midpoint as Daniel talked about it. I believe it is going to have a three and a half year window of influence inside the Tribulation. This is after he receives full demon power from Satan. That's just the way I see it, okay, but it's going to be an amazing time for those here.

Now I've got three more things to give you here, and then I must show you a video and I'm going to close with that video. Here in Revelation 13, Dr. Mark Hitchcock said this, "Revelation 13:11-18 makes it clear that the key issue underlying the Mark of the Beast is the worship of the image, the worship of the image. The Mark of the Beast is simply a vehicle to force people to declare their alliance to the Antichrist or Jesus Christ. Either you are going to serve God, or are you going to serve Antichrist? Okay. And again, you're going to be judged.

I did say I'm going to show the video as the last thing. But I've got to share one more thing after this. And then I got to close with the Antichrist. I am watching my time; I've got 10 minutes. I'm on schedule, man, I'm watching the clock.

Billy talked about the Mark of the Beast system, the economy. He talked about, you know, credit cards. And he talked about how now they want to get it in the body. Well, this is a this is a commercial by Amazon.

It's called Amazon One. This commercial to me, sounds so eerie. It's unbelievable. Now, I'm going to say this, too, and I got to say it is on record. Amazon One is not the Mark of the Beast. Don't leave here, saying, "Brother Perkins said, this is the Mark of the Beast." No, but I'm saying, the system, the conditioning of the culture to receive a Mark in their right hand or forehead is online. Look at this commercial. This thing when I first saw it, I couldn't believe that they would do this. Listen to this.

Let me make sure my volumes up so you can get the full dose. It is all right.

Now, I got to close with this. I'm going to close with the demise of antiquities. This is the best part of the study. I've got to give you this, okay? Just as the Word of God detailed the rise of Antichrist, his government, his economic system, it also reveals how Antichrist is life and kingdom will end. And I love this. Revelation chapter 20, I read it earlier, the Antichrist and False Prophet will be taken from the Armageddon theater from the Battle of Armageddon. God is going to, Jesus is going take them from that Armageddon theater, and they will be cast. The latter part of Revelation 20 says, these both, Antichrist and false prophet were cast alive into the Lake of Fire. God isn't going to let these men have a chance to die. He's going to take them straight from Armageddon to the Lake of Fire.

These two evil men. I'm bringing our chart here again; this is a Tribulation. This is Second Coming of Christ here. I'm going to share this directly, we in the Church Age will be raptured. We go to the Judgement Seat of Christ. We go to the marriage supper. We have a wonderful banquet in heaven. Once our food digest, we are going to mount up on white horses. We are going to mount up on white horses and come back with Jesus. He is coming back as king and ruler. And he's going to come back to dethrone Antichrist. The Antichrist at this point, him and the false prophet will be cast alive into the Lake of Fire. They have, God has a predicted end for this Antichrist. And here we are going to see it. I'm almost done. Second Thessalonians 2:8, "And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of His mouth, and shall destroy with the brightness of His coming." Look at this Revelation 17:14-15, "These have one mind," all those nations, all those leaders, all those globalists, "they have one mind, and shall give their power and strength unto the beast." The Antichrist. "These shall make war with the Lamb, and the Lamb shall overcome them: for He is King of kings and Lord of lords, and King of kings: and they that are with him are the called, the chosen, and the faithful." That's us. We that are with the Lamb who is going to victoriously defeat Antichrist are the called, the chosen, and the faithful. That's us. I'm there. I'm in there.

Daniel 7:26, he says, "But the judgment shall sit and they shall take away his dominion to consume and to destroy it to the end." Daniel 8:25, "And he shall stand up against the prince as Jesus of princes, but he shall be broken without hand." The Antichrist end is judgment.

Daniel 11:45, "And he shall plant the tabernacle of his palace between the seas and the glorious Holy Land. Yet he shall come to his end, and none shall help him."

In summary, we have learned that there is coming a time in the future that a man will rise to power for a season during the Tribulation Period. But he will rule over the nation of Israel, and the world and cause much chaos. Israel will cry out for deliverance, and the true Messiah will deliver them. The Antichrist will be judged and cast into the Lake of Fire.

I want to give you hope today. Listen, everything that's going on is under God's auspices. God is allowing things to come in and out as He desires to bring about His will. What we need to do as a church, we need to understand, and we need to properly discern where we are.

You know, I can tell when Christians don't understand the end times because they get anxious about the end time. They get afraid of the end times.

I got three minutes to give you my little testimony. And many of you may have heard it, but I was taught all my life growing up that if you would read the Book of Revelation or study the Book of Revelation, you could lose your mind. And when I became a young Christian in my young adult life, I did everything but read the book of Revelation. You know why? Because I didn't want to

lose my mind. But I found out I did lose my mind. I lost my mind, and I gained the mind of Christ. Which is a blessing.

I want to say to you, my friends, don't let these times spin you out of control. Don't let these times make you anxious or scared. Allow these times to help you discern where we are, and let it make you a stronger believer. Let it fortify your life. Look circumspect in your life. You know, reevaluate where you are with your walk and calling of God. And allow God to use you to reach a lost world.

Jesus said this, He said, "Pray to the Lord of the harvest that he would send forth laborers." Listen, the fields are ripe. Listen, they got a lot of people need to be saved now. And I tell you for me, as I'm seeing, all this stuff happen, I say, "Lord, boy, time is really winding up. God, I'm going after them."

My wife and I, we fly all over the world and, you know, I have a plane ministry. Airplane ministry, I do. I'm on the plane. I say, "Lord, who's going to sit next to me this time?" I got a plane ministry. I'm ministering the Gospel. And doing turbulence ministry when they're hanging on, boy, oh man, great ministry. Great ministry.

I want to say these things, allow these meetings to stir your heart and to motivate you to go after a lost world. Don't just get this information and get all excited about it and do nothing with it. You know, it's like manna, it becomes old the next day. Allow it to nourish you and allow it to motivate you to do what God have called you to do.

I'm going to close in prayer. Father, we love you, and I thank you, Lord. Lord, one thing I understand you are in control, you are sovereign God. And Lord, because of that, I can have peace during these times. Your Word declares, God, that wisdom and knowledge shall be the stability of our times. Lord continue to give us wisdom and knowledge of where we are, that we might have peace during these times to reach a lost world. And Lord we thank you now, in Jesus' name. Amen.
